Norris Titans

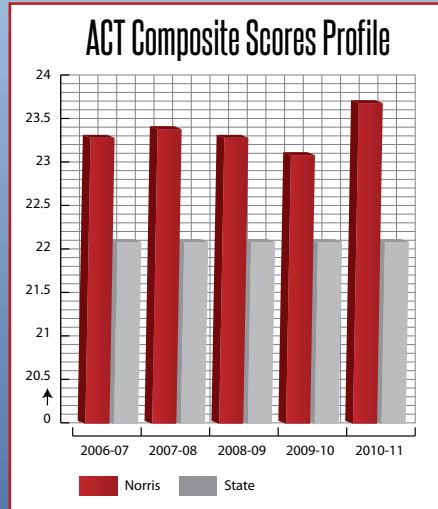

2010-2011 Annual Report

INVESTING IN TOMORROW'S LEADERS

TITAN Academics

A top-achieving school district consistently producing excellent student outcomes.

ACT Composite Scores:

- Highest ACT score over a five-year average
- 89% beating the college-readiness benchmark for English

98% GRADUATION RATE

98% successful completion for four-year cohort group; more than 7% above state average.

TITAN Activities

A full complement of co-curricular opportunities provide students a well-rounded, enriching educational experience.

Team State Tournament qualifiers in Softball, Baseball, Girls Basketball, and Boys Basketball.

Third Place State Class B Play Production.

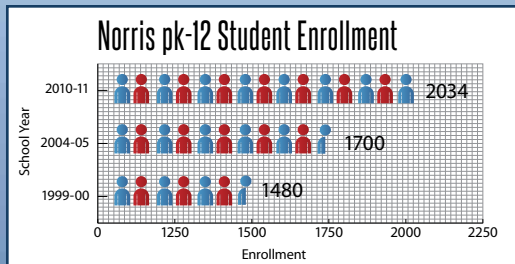

Three Outstanding Vocal Solo Award Performances
NSAA District I Music.

Nebraska Music Educators Association Exemplary Program Award winner.

TITAN Enrollment

A growing district populated by thriving communities, and drawing perennial increases in enrollment.

TITAN Staff

Consistently producing excellent classroom environments, our staff is one of the highest-educated and most experienced in the state.

NEARLY 75% of Norris teaching faculty possess a Master's Degree or beyond compared to <46% statewide.

TITAN Value

A consistent focus on allocation of resources to impact the classroom and keep student achievement as priority #1.

Norris Elementary and Norris High School achieved national recognition through The Alliance For A Healthier Generation as Bronze Level School award winners.

The Norris FFA Learning Lab provided ag classes with a functional farm operation while channeling resources back to the Norris Education Foundation for scholarships and student activities.

The Norris School Board was recognized for repeat Outstanding Board status through the Nebraska Association of School Boards.

3rd lowest cost-per-student in the state (as reported by NE Department of Education) for 254 districts reported in 09-10 (most recent year compiled).

LOWEST General fund levy among Lancaster County Schools
